The Little River Rules...

We love that our space allows you to bring your own style, personality, and creativity into your event. To help keep the venue beautiful, safe, and ready for the next celebration, we ask that all guests, hosts, and vendors follow the policies below.

Decorating

Freestanding and tabletop décor are always welcome. To protect the venue, please do not use nails, staples, screws, tacks, push pins, tape, glue, sticky tack, adhesive hooks, or Command strips on walls, floors, doors, windows, furniture, or painted surfaces.

Décor may not be attached to light fixtures, ceiling tiles, sprinkler systems, artwork, blinds, drapes, or venue furniture. Any hanging décor, backdrops, balloon installations, or large signage should be approved in advance.

Confetti, Glitter & Send-Off Items

Glitter, confetti, confetti cannons, rice, birdseed, silly string, sand, or other small items that scatter easily are not permitted.
Flower petals, bubbles, or other send-off items may be allowed with prior approval and must be cleaned up before the end of the rental period.

Candles & Flames

Flameless LED candles are welcome.

Open flames, sparklers, fireworks, smoke bombs, or flame-based send-offs are not permitted unless specifically approved in writing. If candles are approved, they must be enclosed in glass containers and placed where wax cannot drip onto tables, linens, floors, or other surfaces.

Balloons & Signage

Balloons are welcome but must be weighted and removed at the end of the event. Balloon releases are not permitted.

Freestanding signs are welcome. Signs may not be taped, nailed, stapled, glued, pinned, or attached to venue surfaces without approval. Outdoor signs must be freestanding or weighted and may not block entrances, walkways, driveways, or visibility.

Furniture & Venue Items

Please do not move venue furniture, décor, plants, artwork, or fixtures without approval from venue staff.

For safety, guests and vendors may not stand on tables, chairs, benches, or other venue furniture.

Food, Vendors & Event Items

Any outside vendors, catering, alcohol, food trucks, specialty rentals, or large equipment should be approved in advance.

All vendor supplies, décor, rentals, food, coolers, containers, boxes, florals, linens, signage, and personal items must be removed by the end of the rental period unless other arrangements have been made.

Trash & Cleanup

Before leaving, please make sure:
- All decorations and personal items are removed
- Tables are cleared of food, décor, and trash
- Trash is bagged and taken to the designated outside bins
- Food scraps and leftover catering items are disposed of
- Floors are free of large debris
- Restrooms and common areas are checked for personal belongings

Anything brought into the venue should leave with you unless approved in advance.

Safety

Please help us keep the event safe and comfortable for everyone by keeping exits, walkways, stairs, doors, and emergency access points clear at all times.

Décor may not cover exit signs, emergency lighting, thermostats, outlets, or access panels. Electrical cords should be secured safely and may not create tripping hazards.

Damages & Extra Cleaning

We understand that events are busy and accidents can happen. The renter is responsible for any damage, missing items, excessive cleanup, or rule violations caused by guests, vendors, or event setup.

Additional fees may apply for damage to the venue, trash left behind, items left overnight without approval, or cleanup involving prohibited materials such as glitter, confetti, wax, tape, or adhesive residue.
